Photographs must be representative of the entered class; dahlias must be predominant in the photograph. Each exhibitor is limited to a maximum of two (2) photographs in each class. \*

Note: any photo that is entered must have been taken after our last Photo Show, which was held in October 2013.

**Format** - each photograph must be displayed using a matte frame, matte board or foam board. The photograph can be displayed with or without a border. Photographs must be a minimum of 8"x 10 ; with a matte frame or matte board, the complete entry cannot exceed 11"x 14".. **IMPORTANT!** No glass, no initials, no names or titles on the front of the photographs or on the matte. **Nothing on the front of photograph!** The LIDS photography committee may attach a hanger to the back of the frame when placing it in exhibit.

**Grouping** - the photographs will be grouped and displayed in three (3) different experience levels:

- **Beginners** (novices/amateur photographers)
- **Advanced** (experienced photographers)
- **Professional** (self promoting, income generated from photography).  
Professionals are welcome to leave their business cards for show visitors.

The photo display committee will decide which group to place the photographs.

**Judges** will rate the entries on the basis of impact, composition and technique. Each of the three (3) groups will be judged and awarded separate 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place ribbons. A "Best in Show" will also be awarded to one photograph; additionally there will be an "honorable mention" in each category, at the judges discretion. All winning entries will receive certificates. If an entry doesn't merit an award, it will not get one even if it is the only one submitted in its class. Judging will begin on Saturday at 9:00 AM. The judge's decisions are final, no appeals considered.

**A suggested donation** of \$2 per person entering the competition will help offset show cost.
